30, 2014		

INTERVENOR, GRAYSON RURAL ELECTRIC COOPERATIVE CORPORATION INITIAL REQUEST FOR INFORMATION

Comes now Grayson Rural Electric Cooperative Corporation (Grayson) and for its initial request for information submits to East Kentucky Power Cooperative, the following:

- 1. Please identify the margins from sales gained by East Kentucky Power from the assertion by East Kentucky Power related to the "polar vortex" or any other temperature related sales in January of 2014 and in February of 2014.
- 2. What was the additional, if any, fuel costs including in the calculation of the Fuel Adjustment Clause for January and February 2014 identifying what fuel and the acquisition entity regarding same?
- 3. Did East Kentucky Power Cooperative give any consideration at all to simply absorbing the additional fuel costs and, if so, please set forth the persons within the employee of East Kentucky Power who discussed same, when, and if there is any memo or other writing evidencing said discussion please supply a copy of same?
- 4. Please set forth the name and title of the person or persons responsible for planning or scheduling native power load with PJM.

5. Please state the name and title of the person or persons responsible for or accountable for

within the employee of East Kentucky Power for the risk when the actual requirement for

meeting native load is greater than that which had been planned.

6. What is the line item "PJM Day Ahead and Balancing" on the Fuel Adjustment Clause

Report referring to? Please explain what that phrase, "PJM Day Ahead and Balancing", is

referencing, the components that go into such an analysis and why same is passed on to the

members of East Kentucky Power as fuel costs.

7. Please set forth how, if at all, PJM affects the accounting of fuel costs on East Kentucky

Power Cooperative books of account relating to power production, buying power, or selling

power. With respect to each please set forth an example.

8. Please define the term "non-economic purchases".

9. Please define "economy purchases".

10. Please define "no load costs".

11. Please set forth the name and title of the person within the employee of East Kentucky

Power most knowledgeable concerning the requests made herein and supplying the

information responding to same.

RESPECTFULLY SUBMITTED.
